SESSION: 2026-27

LEARNERS 4

Dear Parents,

Summer vacations are a perfect time for children to relax, refresh and learn beyond the classroom. Along with the subject holiday homework assigned, this is also an opportunity to build values, life skills, creativity and independence in children. Your guidance and involvement can make the vacation joyful, meaningful and memorable for them.

- ❖ Start with Identity and Safety
- ❖ Reduce screen time and increase Family time
- ❖ Assign small Responsibilities
- ❖ Make Friends with Books
- ❖ Show Them the Outside World
- ❖ Encourage Creative Expression & Introduce new Skills
- ❖ Talk about Values
- ❖ Connect with Nature through small acts of care by providing food and water to cows, dogs and birds around you.

HINDI

Roll No.1- 10 परिवार संग यात्रा – यादों का सुंदर सफर 📷👨👩👧👦

परिवार के साथ की गई यात्रा के पलों की स्मृतियाँ अनमोल होती हैं। गर्मियों की छुट्टियों में किसी मनमोहक स्थान पर जाना और वहाँ के अनुभवों को संजोना, यह सभी के लिए खुशियों का पिटारा होता है। आप भी इन छुट्टियों में जिस भी स्थान पर जाएँ, वहाँ की खूबसूरती को अपने कैमरे में कैद करें।

ए-4 साइज शीट पर 2-3 फोटो चिपकाकर अपनी यात्रा का अनुभव लिखिए। (शब्द-सीमा: लगभग 50 शब्द)

Roll No. 11 – 20 “करुणा की छाँव- बेजुबानों के साथ मेरा अनुभव”

इन गर्मियों की छुट्टियों में बेजुबान पशु-पक्षियों के प्रति दया, प्रेम और संवेदना दिखाते हुए उनकी सहायता कीजिए। आपने उनकी सहायता किस प्रकार की और आपको कैसा महसूस हुआ-सुंदर अक्षरों में ए-4 साइज शीट पर अपना अनुभव लिखिए और अपनी फोटो भी लगाइए।

Roll No. 21 – 30 “परिवार की मदद, मेरी खुशी”

अपने माता-पिता की मदद करते हुए एक फोटो खिंचवाइए और उसे A-4 शीट पर चिपकाइए। जिस प्रकार आपने उनकी सहायता की, उसके बारे में अपने शब्दों में 4-5 पंक्तियाँ लिखिए। शीट को सुंदर तरीके से सजाइए और साफ-सुथरा कार्य कीजिए।

COMPUTER

To make our summer-break both fun and educational, please find an "Unplugged" Computer Science project. These activities are designed to be creative and require no extra materials—just things you already have at home!

Roll Nos.	Activity Topic	Description of Task
1–10	Algorithm Recipes	Write down a "Step-by-Step Algorithm"(SEQUENCE) for a daily task, such as brushing your teeth or making a jam sandwich. Ask a family member to follow your instructions exactly as written to see if your "program" works perfectly!
11–20	Hardware Models	Using waste material like cardboard boxes, bottle caps, or old newspapers, create a 3D model of your favorite computer part (Mouse, Keyboard, or Monitor). Don't forget to label the parts!
21–30	Conditional Story	Create a comic strip of 3-4 boxes that shows "If-Then" logic. For example: "If I finish my homework, THEN I can play." Draw a scene for the 'If' and a scene for the 'Then'.
